Boys' State Leadership Program Objectives

To develop civic leadership and pride in American citizenship.

The American Legion hopes that each young man attending Boys State will return to his community a better citizen and display his willingness to make greater civic contributions.

To develop a keen interest in government.

To develop in the young citizens of Boys State a full understanding of our American traditions and belief in the United States of America.

The American Legion Boys State teaches citizens the glorious traditions of this country!

To develop in the young citizens a determination to maintain our form of government.

The final two objectives come from the Preamble to the Constitution of The American Legion:

"To inculcate a sense of individual obligation to the community, state and nation . . ."

"To safeguard and transmit to posterity the principles of justice, freedom and democracy . . ."

Selection of Citizens

Boys are selected based on their leadership ability, academic merit, and interpersonal skills. It is important to note Boys State is not a summer camp for recreation. American Legion Posts or other community-minded organizations often pay fees, or "tuition," with little to no expense to the young men.

We wish to secure equal delegate representation from all areas of the State of Connecticut. Therefore, the Department Boys State Commission asks for **one or more boy(s) from each accredited high school** (public or private) to be nominated by the school to attend.

Characteristics of the "Ideal" Connecticut Boys Stater

To be selected for nomination or appointment as a Connecticut Boys State delegate, the candidate must demonstrate:

- Strong academic performance (e.g., a quick study) to thrive in this fast-moving program
- Excellent Interpersonal skills (e.g., gets along very well with others from all backgrounds)
- Exhibited leadership (e.g., a leader of leaders) Solid Oratorical skills (e.g., a persuasive speaker and confidence shown in group settings)

Nominating a Delegate to the Program

The American Legion believes our American government can survive only with an educated populace. By teaching youth to understand and appreciate our democratic republic, America can remain strong and ensure our freedom for future generations.

High school officials (administrators, faculty members, coaches, fine arts teachers, and/or counselors) may nominate qualified students meeting the eligibility requirements and selection criteria.

Once you have chosen which students you would like to participate you should notify the local American Legion Post that you school has students who are interested in attending the program. The local Post will then either come to the school to interview the students or have them come to the Post to be interviewed so the Post can make their selections on who will attend the program.

Program Application

Application to the program can now be started online. Go to www.ctboysstate.com or www.ctlegion.org to find the application and checklist. It is quick and simple. Application must be submitted to and approved by the sponsoring American Legion Post. If you have any questions or problems, you may contact Department Headquarters at 860-436-9986.
