

Commanders Message

Fellow Legionnaires,

As we begin September, I want to thank each of you for your continued dedication to The American Legion and the veterans, families, and communities we serve. I recently had the opportunity to attend the **National Membership Workshop**, an experience that provided valuable ideas on membership recruitment, retention, communication, and veteran outreach. We must take those lessons and put them into action here in Connecticut.

Our new Department membership quota for 2027 is 12,732 members. Reaching this goal will require every Post, District, and Legionnaire to take an active role. We must continue to seek out new members while making the retention of our current members an equal priority. A simple phone call, personal invitation, or conversation can make the difference between a veteran becoming a Legionnaire and never walking through our doors.

At the **National Convention in Louisville, Kentucky**, we saw once again the strength of our organization and the importance of working together toward a common goal. **Please join me in congratulating National Commander Jay Bowen as he begins his year of leadership.** I look forward to working with him and the National organization as we continue moving The American Legion forward

We also need to communicate where today's veterans are—through technology and modern communication platforms. Social media, email, websites, and other digital tools give us opportunities to tell our story, promote our Posts, reach younger veterans, and invite them to become part of our organization.

Veteran outreach must remain at the heart of what we do. We need to be visible, approachable, and ready to assist veterans and their families whenever they need us.

Our programs are our greatest opportunity to demonstrate the value of The American Legion. When we support veterans, serve our communities, work with our youth, and participate in local events, we show people who we are and why our organization matters. Visibility creates awareness, and awareness creates opportunity.

One Vision to guide us. One Legion to unite us. One Future for us to build—together.

For God and Country,

Mike Mitchell
Department Commander
American Legion Department of Connecticut
2026–2027

One Vision. One Legion. One Future.

Sr. Vice Commanders Message

My Fellow Legionnaires

I have just returned from the 107th American Legion National Convention, which was held in Louisville, Kentucky, from August 28th to September 3rd. There were many of us from CT who attended and it was wonderful to see Legionnaires from other states, who you only see once or a few times a year.

We are starting a new membership year and we should all be looking forward to the future, as we should all be trying to recruit a new member into our Posts and also working to help retain those members who are already members of our Posts. Just think of how much our numbers would increase if we each had a goal of recruiting one new member into our Posts during the coming year. The Department of CT is only as strong as its membership base. Recruitment is actually a responsibility of every single member of our Department.

It is quite a dream to reach 100% membership and that sounds so far away but believe it or not, it is not impossible. Think about the reason why you joined the American Legion and why you are still involved with it. That is what you need to project to veterans you come into contact with and then tell them what the organization has done for veterans in the past.

We should all remember that the Foundation of the Four Pillars are the Posts. Let us do this together and make the Department of CT strong for today, tomorrow and the future.

Thank you all for what you are doing and have done for the Communities, the State and the Nation!

Dennis F. Lisee

September 2026

Bulletin No. 9

This Month in Connecticut History: September 16, 1776

Lt. Col. Thomas Knowlton, commander of America's first military intelligence unit, was killed at the Battle of Harlem Heights while leading his troops against the British. Knowlton's Rangers was also the unit in which Nathan Hale served briefly before being recruited for his mission as an American spy.

2026 National Convention

We have returned from the **107th National Convention of The American Legion in Louisville, Kentucky**, and what a great convention it was. From training sessions and informative meetings to the opportunity to meet Legion Family members from across the country, there was something for everyone.

The National Convention was held August 28 through September 3 at the Kentucky International Convention Center. Members had the opportunity to attend workshops, training sessions, commission meetings and General Sessions while learning more about the programs and services of The American Legion.

If you have never attended a National Convention, consider making plans to attend next year. The **108th National Convention will be held in Kansas City, Missouri, August 27 through September 2, 2027.**

Welcome Back!

Welcome back to Connecticut to all of our Legion Family members who traveled to Louisville for the National Convention. Thank you for representing Connecticut and for bringing home new ideas, information and enthusiasm to share with our Posts.

Membership Cards

We have been informed that there are still a few Posts that have not received their membership cards. If you picked them up for your Post, please make arrangements to distribute them immediately.

As we begin another membership year, please continue to make membership a priority. Every member matters, and every new member strengthens our ability to serve veterans, their families and our communities.

Potpourri

Do you have an event coming up that your Post wants advertised? Send a flyer to me with the details, and I will place it on the online Department calendar and include it in the Monthly Bulletin. Please send your information to me **no later than the 27th of the month before the event takes place.**

Want to learn more about how we affect the lives of veterans, their families and the children of our Nation? More importantly, want to use that information to help recruit new members and retain our current members? Check out the **Membership Impact Report** and learn more about the difference The American Legion makes every day.

Please copy and share all Bulletin information as widely as possible!

I will be sharing information with you every month, encouraging each Post to participate in Legion programs they are effectively able to promote. It is better to run one or two programs very well, than three or four less ably.

To start, one person cannot be the “go-to” Legionnaire, running all your programs. The commander, adjutant, or sr. vice commander each have duties of their own. Think of a program that you would enjoy running for your post. Did you play Legion baseball? Participate in the Oratorical or Boys State program? Perhaps you were awarded a School Award while a student.

The most important aspect of running most programs is having a contact in the schools from which you will draw your students. Ask for help from members of your post, neighbors, co-workers, even the school board in your community.

Posts should be gearing up for the Oratorical contest now, even before school starts. The Assigned Topics are already available from National: [Oratorical Contest Assigned Topics | The American Legion](#) Share these with schools, Parents groups and even the school boards. Our goal for 2027 is to have all seven districts send a representative to the Department finals in the coming year.

Questions? The Oratorical chairman is Bruce Carlson, Post 25, 2nd District. Contact him at: abrccarl@aol.com If I can help answer any questions about programs, our Americanism Pillar or any general questions, I am always available.

Let's have a great year!
